

March 18th membership meeting cancelled

Tuesday's meeting at NSEA will be cancelled consistent with Washington state and Health Department precautions for the Covid-19 virus. We wish everyone the best for staying healthy.

Kayak paddling in the open air is encouraged.

The April 21 presentation remains in our plans:
Robbie Munger on circumnavigating the 640 nautical miles around Vancouver Island over 34 days.

Hopefully, the emergency room doctor will be rescheduled for May to present on hypothermia and cold water shock.

The center for disease control has reliable information on Covid-19 (corona virus)

Happy Paddling!

Women on Water Sea Kayak Workshop

Deep Cove Kayak and Coast Outdoors would like to announce the return of Women on Water Sea Kayak Workshop on May 2nd and 3rd, 2020.

The format will be very similar to last year with four half-day sessions to choose from over the weekend and dinner at Northlands Golf Course on Saturday Night. There will also be a meet and greet wine and cheese night at Coast Outdoors on Friday, May 1st from 7 pm-9 pm. Session options will be similar to last year with something for everyone at all times, from novice to advanced paddlers.

Justine Curgenvan and Meaghan Hennessey will be returning with a

roster of four other inspiring female coaches!

The low price of \$295 plus GST again this year, a discounted rental of boat and gear is available for \$95 for the entire weekend. This is even cheaper than their regular weekend-long lesson and includes both evening events!

Please register early on the page linked below as last year sold out quite quickly!
